

# By Twelve Months Your Baby Does...

Name: \_\_\_\_\_

Birth Date: \_\_\_\_\_

Date: \_\_\_\_\_

- Look at the person saying the baby's name?
- Usually have healthy ears (e.g. no serious ear infections)?
- Understand simple requests and questions (e.g. "No". "Don't touch", "Find your shoes", "Where's your toy")?
- "Chatter" to toys or people using three different sounds?
- Take turns making sounds with you?
- Imitate non-speech sounds (e.g. lip smacking, tongue clicks)?
- Hold, bite and chew crackers?
- Get up into sitting position without help?
- Crawl or "bum" shuffle easily?
- Pull up to stand at furniture?
- Walk holding onto your hands or furniture?
- Pick up small items using tips of thumb and first finger?
- Take things out of containers (e.g. blocks)?
- Show many emotions such as affection, anger, joy or fear?
- Start games with you like hiding (peek-a-boo) or clapping (pat-a-cake)?
- Seek comfort (e.g. reach up to be held when upset)?
- Use facial expressions, actions, and sounds to make needs known or to protest?
